

The Honorable Robert S. Lasnik

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON AT SEATTLE

CRISTALLA CONDOMINIUM  
ASSOCIATION, a Washington nonprofit  
corporation,

Plaintiff,

vs.

AFFILIATED FM INSURANCE COMPANY,  
a foreign insurance company,

Defendant.

No. 2:16-cv-1838

STIPULATED MOTION & ORDER TO  
AMEND ORDER SETTING TRIAL DATE  
& RELATED DATES

COME NOW the parties, Plaintiff Cristalla Condominium Association (“Cristalla”), and Defendant Affiliated FM Insurance Company (“AFM”), by and through their counsel of record herein, and hereby stipulate and agree to this Court’s entry of the subjoined, agreed Order below for the reasons set forth herein.

**STIPULATION**

1. Plaintiff Cristalla and Defendant AFM stipulate to this Court’s entry of the agreed Order below extending the current trial date and all other pre-trial cut-off dates by 60

1 days—including cut-off dates for the completion of discovery, the settlement conference date,  
2 and the dates for filing all dispositive motions and motions in limine.

3         2.       The parties stipulate to this extension for several reasons. First, the parties  
4 wish to proceed to mediation and are presently in the process of scheduling a mediation to  
5 occur during the month of December 2017 with mediator Tom Harris. Second, Plaintiff  
6 wishes to forestall certain deposition discovery requested by Defendant, permitting only the  
7 Rule 30(b)(6) deposition of Plaintiff prior to mediation and conducting all other depositions  
8 after mediation (if mediation proves unsuccessful). Third, the parties are awaiting this Court's  
9 Order on Plaintiff's pending Motion for Partial Summary Judgment (Docket #17), which has  
10 been fully briefed, the outcome of which may impact the scope of discovery and issues for  
11 trial. Fourth, Defendant AFM's lead trial counsel, Scott Stickney, has a family obligation that  
12 makes the presently set trial date of March 5, 2018, unworkable.  
13  
14

15         3.       The parties believe a 60-day continuance will be sufficient to accommodate  
16 their needs and to allow for a mediation to occur in December 2018, after which discovery  
17 may be completed if mediation is unsuccessful, affording the parties sufficient time to be  
18 ready for trial on or about **May 7, 2018**.

19         4.       While the parties have filed previous stipulated motions to make minor  
20 alterations to other pre-trial deadlines (which motions this Court has granted), this is the first  
21 request for a change in the trial date. Neither party foresees the need for any further trial
